Order

1. Heard the counsel for the appellant for the review of the decision passed by this Tribunal in appeal No. 407/2023 dated 10.10.2023. We have gone through the application for review. There is no error apparent on the face of the records or any omission of law in the decision being asked for review. The counsel for the appellant seeks a change in the original decision which cannot be allowed by way of review. The appellant is at liberty to file an appeal against the impugned order at appropriate forum. The review application is therefore dismissed.
